Telehealth

During the public health crisis caused by COVID-19, Hematology Oncology Associates (HOA) is utilizing telehealth services to protect our patients and providers. HOA uses Doxy.me for video visits.

A member of the HOA staff will ask you if you have a computer or device with camera and microphone. If so, you will be sent a link by a Medical Assistant a few minutes prior to the Telehealth appointment with your provider.

Use a computer or device
with a camera / microphone:

How to check in for your video visit:

1. Click on the link sent to you by our office either via email or text.

2. Allow your browser to use your camera and microphone.

3. Type in your name and click check in.

4. Your care provider will start your visit.

CALL TIPS

- Make sure you have a good internet connection
- Restart your device before the visit
- Test your camera and microphone from the waiting room
